Conversion kit „DIN push-fit connection“

consist of 3 inlet
 adapters Ø 50 mm
 and 1 outlet adapter
 Ø 75 mm and
 1 push-fit connection for upper section
 Ø110; DIN 19560

Art. # 37 3008

KESSEL - typical advantages

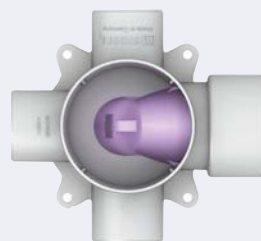

+ One body = 3 drains (BS glue, DIN glue, DIN pushfit)

+ Only drain offering BS and DIN standard connections

+ Only drain offering DIN glue and DIN pushfit connections.

+ Usable with all KESSEL system 100 drain covers

+ PVC pipe (OD 110) can be used as extension section (either glued or push fit)

+ Centered odortrap provides self cleaning action

+ Flow rate 1,8 l/s, increased flow rate with use of extension section

+ Fastening brackets for ceiling hung installations

+ Environmentally friendly material, allows glued pipe connections
