

Lifting station Minilift F

The small version with the powerful macerator SharkTwister.

Compact and also suitable for black water: the *Minilift F* for free-standing set-up drains the toilet and other sanitary units in rooms below the backwater level or without sufficient slope to the next wastewater collecting pipe. The small lifting station chops faeces and toilet paper reliably with the powerful high-quality macerator SharkTwister.

Powerful macerator SharkTwister
The built-in stainless steel pump with the powerful high-quality macerator reliably chops faeces and toilet paper – thus providing maximum operational safety.

Intelligent control technology
The SharkTwister is controlled by intelligent control technology with an acoustic alarm function – without the need for a separate control unit.

Straightforward maintenance
The pump is integrated ready to plug in without the help of an electrician and can be removed for maintenance in no time at all.

Compact lifting station *Minilift F* for free-standing installation in frost protected rooms
