

Floor drains *Ferrofix* with connection flange

Matrix order system

TÜV Rheinland Germany type tested and monitored

Drain body

Floor drain *Ferrofix*

with connection flange

in stainless steel AISI 304, for connection to SML-pipe, with odour trap.

Drainage capacity in l/sec with 20 mm / 10 mm threshold see table.

Sealing water height 50 mm

➤ Modular system

see pages 246 – 247

➤ Accessories

see pages 259 – 2602

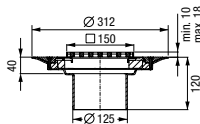

Upper sections

Shallow bed upper section in ABS

with included waterproofing membrane

Slotted cover

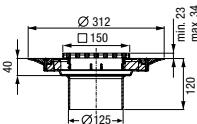

138×138 mm and rim in stainless steel AISI 304, anti-slip, class L 15, screwed

Art. no. 48 907

Anti-slip drain cover

138×138 mm and rim in stainless steel AISI 304, anti-slip, class L 15. Not compatible with sludge trap
Art. no. 48 636

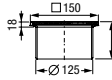

Art. no. 48 965

Upper section in ABS

Slotted cover

138×138 mm and rim in stainless steel AISI 304, anti-slip, class L 15, screwed

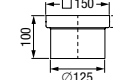

Art. no. 48 176

Upper section in stainless steel AISI 304

Anti-slip drain cover

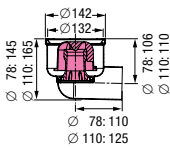

138×138 mm in stainless steel AISI 304, class L 15 / M 125*

*On-site lining work required

Art. no. 54 914

Drain body with lateral outlet

Ø 78 Art. no. 54 400

Ø 110 Art. no. 54 420

Complete drain comprising a combination of the upper section and drain body

Art. no. 54 400.52

Drainage capacity* 1.7 / 1.1

Art. no. 54 400.21

Drainage capacity* 1.9 / 1.5

Art. no. 54 400.61

Drainage capacity* 1.5 / 1.0

Art. no. 54 400.20

Drainage capacity* 1.7 / 1.6

Art. no. 54 420.52

Drainage capacity* 1.6 / 1.0

Art. no. 54 420.21

Drainage capacity* 1.8 / 1.5

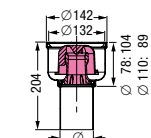

Art. no. 54 420.61

Drainage capacity* 1.4 / 0.9

Art. no. 54 420.20

Drainage capacity* 1.5 / 1.4

Drain body with vertical outlet

Ø 78 Art. no. 54 410

Ø 110 Art. no. 54 430

Complete drain comprising a combination of the upper section and drain body

Art. no. 54 410.52

Drainage capacity* 2.4 / 1.2

Art. no. 54 410.21

Drainage capacity* 2.1 / 1.6

Art. no. 54 410.61

Drainage capacity* 2.4 / 1.0

Art. no. 54 410.20

Drainage capacity* 2.4 / 1.6

Art. no. 54 430.52

Drainage capacity* 2.3 / 1.1

Art. no. 54 430.21

Drainage capacity* 2.0 / 1.5
