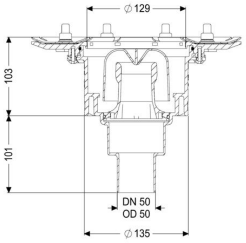
Data sheet

Practicus drain body Press. fl., DN 50, Vertical outlet



Article information

article number: 45259
EAN code: 4026092033807
Price group: 10

Product advantages

- Hygiene: hygienic, absolutely corrosion-free and durable material
- absolutely corrosion-free and durable material
- Fire protection: combinable with the Fire-Kit for fire and smoke protection

Description

The Practicus polymer drain body, when used in combination with an upper section, is designed for point drainage and is fitted with a removable odour trap and a protective cover for the duration of the works. The pressure sealing flange is suitable for use with standard waterproofing membranes in accordance with the installation instructions, as well as flame-treated bituminous membranes.
The drain meets specific sound insulation requirements, as confirmed by measurements carried out by the Fraunhofer Institute in Stuttgart.

General features

Nominal size (DN)	50
Outer diameter (OD)	50 mm
Odour trap	included
Approval	Z-19.53-2414,Z-19.53-2414_V,Z-19.17-1719,Z-19.17-1719_V

Version

System	125
Waterproofing layer on the drain body	Press sealing flange (suitable for creating watertight seals)
Sealing water height	50 mm

Dimensions

Vertical adjustment	|
Net weight	1.77 kg
Gross weight	2.06 kg
Diameter	273 mm
Height	207 mm
Packaging dimension: length	280 mm
Packaging dimension: width	280 mm
Packaging dimension: height	260 mm

Tank/drain body

Number of outlets	1
Material of drain body	PP
Socket version	vertical
