Data sheet

Backwater valve Staufix Basic DN 200, Type 0, w/o emergency closure

Article information

article number: 71200
EAN code: 4026092002346
Price group: 10

Product advantages

- Simple conversion possible using conversion kits
- Fast and toolless maintenance and cleaning
- Ideal for modernisation, can also be installed in existing pipes later

Description

The backwater valve for rainwater is equipped with a mechanical flap which closes automatically in the event of backwater. Thanks to the modular KESSEL system, existing systems can easily be supplemented by a second backwater flap or an emergency closure.

General features
