

## Comfort control unit 400V, Aqualift Duo, 2x6.3-10.0 A

## **Article information**

Item no.: 28783

GTIN: 4026092058756

Price group: 20

## **Advantages**

- Self-diagnosis system (SDS)
- Potential-free contact for faults/warnings
- Reminder for when maintenance is due

## **Description**

Comfort control unit for lifting stations or pumping stations. Suitable for 400 V double stations. Optional connection options for float switches, conductivity probes, and level probes on the terminal strip. User-friendly menu navigation on the multi-line display. Menu navigation in six languages. Simple selection of the system to be connected with preset, system-specific operating parameters. Display of current measured values. Simple adjustment of function-relevant parameters, with integrated operating hour counter. With self-diagnosis system (SDS) for monitoring pump, sensors and battery back-up. Improper installation or operating faults trigger an optical and acoustic alarm signal. Forwarding of a collective fault and alarm signal via optional potential-free contact or integrated serial interface for a GSM modem.

Variant
