

## Ferrofix upper section gl. flange Sys 200, closed cover, 304 SST

### Article information

Item no.: 48954-S-V2A-KF

GTIN: 4026092090831

Price group: 70

### Advantages

- Made of a particularly hygienic and mechanically highly resistant stainless steel
- Multiple combinations with suitable drain bodies

### Description

Used in combination with a drain body of the KESSEL modular system 200, the Ferrofix stainless steel upper section with glued flange is suitable for indoor point drainage.

Variant

|                                                                          |                                                  |
|--------------------------------------------------------------------------|--------------------------------------------------|
| System:                                                                  | 200                                              |
| Waterproofing layer on the upper section:                                | Adhesive flange (suitable for moisture barriers) |
| Water exposure class in accordance to DIN 18534-1 (up to and including): | W3-I                                             |
