

Lifting station Minilift L KTP 300-S1, Floor slab, tileable

Article information

Item no.: 280570X GTIN: 4026092082546 Price group: 20

Advantages

- Space-saving installation in the floor slab with integrated drainage function
- System ready to plug in
- Easy tool-free maintenance

Description

The ready to plug in small lifting station for faecal-free wastewater is suitable for wastewater drainage of individual sanitary appliances. The submersible pump with float switch can be removed easily with the help of one-handed closures. The collection tank made of polymer (PE) has an open pump tank and is resistant to aggressive wastewater. The system for installation in the floor slab is preassembled for final installation on site.

Variant Type of system: Pump control: Backflow preventer:

General characteristics Colour: Standard: Type of wastewater: Installation situation: Delivery state:

Dimensions Net weight: Gross weight: Installation depth: Single unit Float switch integrated

grey EN 12050-2 without sewage floor slab installation Installation-ready (connection parts must be connected on site)
