

## Universal Plus basement drain vertical, with odour trap

### Article information

Item no.: 29103  
 GTIN: 4026092096963  
 Price group: 10

### Advantages

- Sustainable due to use of recycled material
- Inlets above the floor slab, no penetration required
- Vertical outlet for easy installation and easy access to the main drainage pipe

### Description

In combination with an upper section, the polymer Universal Plus drain body is used for drainage of non-faecal wastewater and is equipped with a removable odour trap and a sludge bucket. Including temporary protective cover. The drain is pressure-waterproof up to 0.6 bar (MFPA Leipzig tested) and radon-tight (IAF Radioökologie GmbH tested).

#### Variant

|                          |         |
|--------------------------|---------|
| Contents of sludge trap: | yes     |
| Waterproof flange:       | without |
| Sealing water height:    | 60 mm   |

#### General characteristics

|                         |                         |
|-------------------------|-------------------------|
| Colour:                 | black                   |
| Standard:               | EN 1253                 |
| Nominal size (DN):      | 100                     |
| Type of wastewater:     | without sewage          |
| Installation situation: | floor slab installation |

#### Dimensions

|                          |         |
|--------------------------|---------|
| Net weight:              | 1,73 kg |
| Gross weight:            | 2,22 kg |
| Diameter:                | 235 mm  |
| Cutout dimension, width: | 310 mm  |

|                           |                                     |
|---------------------------|-------------------------------------|
| Cutout dimension, length: | 310 mm                              |
| Vertical adjustment:      | vertically adjustable upper section |
| Height:                   | 270 mm                              |
| Packaging dimension:      | width                               |
| Packaging dimension:      | height                              |
| Packaging dimension:      | length                              |
|                           |                                     |
| Tank/drain body           |                                     |
| Outlet nominal size (OD): | 110 mm                              |
| Outlet nominal size (DN): | 100                                 |
| System:                   | vertical                            |
|                           |                                     |
| Coverage features         |                                     |
| Contents of sludge trap:  | yes                                 |
| Odour trap:               | included                            |
