

## Backwater valve Staufix Basic DN 100, Type 1, with emergency closure

### Article information

Item no.: 72100  
GTIN: 4026092002353  
Price group: 10

### Advantages

- Optional rat protection flap for additional safety
- Fast and toolless maintenance and cleaning
- Ideal for modernisation, can also be installed in existing pipes later

### Description

The backwater valve for wastewater without sewage is equipped with one mechanical flap which closes automatically in the event of backwater and also serves as an emergency closure to be closed by hand. Thanks to the modular KESSEL system, existing systems can easily be supplemented by a second backwater flap.

#### Variant

Stainless steel flap as rat protection:	no
Emergency closure:	yes
