

## Hotel nhow Berlin

Technology and design in perfect harmony.

Source: nhow Berlin

Installation example bathroom drain with upper section Oval

Located directly on the banks of the Spree River, the office of TCHOBAN VOSS Architects has created a spectacular building with the Music and Lifestyle Hotel nhow Berlin, which not only convinces with its impressive façade, but also with its innovative spatial concept. Every detail must be perfect for the demanding, international audience. It's a good thing that the floor drains from KESSEL combine technology and design in perfect harmony. 280 of our Ecoguss object drains with design cover Oval installed in this hotel.
