

The Augustiner

Traditional bavarian gastronomy meets modern drainage technology.

Installation situation "Zum Augustiner" (Source: KESSEL)

Popular restaurant and beer hall in the historic brewery which serves Bavarian dishes in an art nouveau building. The Augustiner brewery house in the Munich pedestrian area with its Mussel Hall and Arcade Garden are among the few original art nouveau buildings left in the city. Maximum operating safety is achieved by parallel switching of two Duo lifting stations.

Selection Criteria

- Individual solutions for specific room/use requirements
- Fully-automatic and program-controlled disposal is possible
- Coordinated complete system of separator, lifting station and accessories from a single source
- Reliable disposal of large wastewater quantities

Products Used In Reference Object

- EasyClean free Auto Mix & Pump
