Installation example shower channel Linearis Compact (Source: KESSEL)

The new district Melrose Arch in Johannesburg is characterized by cosmopolitan apartments, two design hotels, an event location, over 20 restaurants and cafés, many boutiques, nine office buildings and a premium health club. The luxurious residential complex One On Whiteley relies on KESSEL's reliable process technology, which perfectly combines function and outstanding design. This was realised with 760 Linearis Compact shower channels.

Selection Criteria

- Smooth, easy to clean surface with self-cleaning effect
- Low installation depth
- Flexible connection options
- Odour-free, thanks to the Multistop odour, foam and rodent stop

Products Used In Reference Object
